CHILD TERM INSURANCE RIDER (CTR)

If included in the contract, this rider allows an insured employee or spouse (but not both) to insure all eligible children, age 15 days and no older than age 25 years, for the selected amount of term insurance. Insurance on each child terminates on the child's 26th birthday or when the parent's insurance ends, whichever is earlier. Upon termination, the child has 31 days in which to convert to an individual contract for up to the lesser of 5 times the amount of insurance under this rider or \$50,000. All children in the family will be insured for the same insurance amount.

WAIVER OF MONTHLY DEDUCTIONS FOR LAYOFF OR STRIKE RIDER (WML)

Waives the monthly deductions if the employee is involuntarily laid off or is on strike. Benefits are based on the employee's layoff only. Layoff of an insured spouse or child does not qualify for this waiver. Premium payments must have begun prior to the insured employee's layoff. Rider is available for issue up to age 55 and terminates on the contract anniversary on or following the employee's 60th birthday or when the insurance is assigned to another party, whichever is earlier.

ACCELERATED DEATH BENEFIT FOR CHRONIC CONDITION RIDER (CHR)

If included in the plan design, accelerates a portion of the life insurance death benefit if the insured person is diagnosed with a chronic condition and, in the best medical judgment, is unable to perform at least two Activities of Daily Living for a period of at least 90 days without human assistance; or has a severe cognitive impairment that requires substantial supervision for a period of at least 90 days to protect the insured from threats to their safety. Activities of Daily Living include bathing, continence, dressing, eating, toileting, and transferring.

The insured will choose one of the following accelerated death benefit options under this rider:

- **Option 1** - A monthly benefit equal to the applicable percentage of the death benefit amount shown on the Product Details. Written certification of the insured's continued chronic condition by a physician is required, at reasonable intervals, in order to continue receiving the monthly benefit
- **Option 2** - A one-time lump sum equal to the applicable percentage of the death benefit amount shown on the Product Details. Upon payment of this lump sum benefit, the rider will terminate

ACCELERATED DEATH BENEFIT FOR TERMINAL CONDITION RIDER (TI)

Accelerates a portion of the death benefit amount if an insured person is first diagnosed with a terminal condition which, in the best medical judgment, will result in death within 12 months. When exercised, the administrative expense charge and 12 months advanced interest will be deducted from the benefit payment, the death benefit and other contract values will be reduced accordingly and this rider will terminate.

TRANSAMERICA UNIVERSAL LIFE INSURANCESM

Transamerica Universal Life InsuranceSM **Limitations and Exclusions: What Doesn't Qualify**

If an insured employee withdraws the cash value, tax consequences and/or surrender charges may apply.

Fluctuations in interest rates or policy charges may require the payment of additional premiums.

Individuals currently on disability or on premium waiver are not eligible for insurance.

During the first two years, the death benefit for suicide (while sane or insane) is limited to the return of premiums paid, less any loans, partial surrender amounts, and accelerated benefits paid, if any.

PORTABILITY OPTION

If an employee loses eligibility for this insurance for any reason other than nonpayment of premiums, insurance can continue through the Transamerica Portability Trust by submitting a written request to exercise this option no later than 31 days after the date of termination. The employee will be billed directly and premiums may exceed the premiums that were paid through the employer due to increased administrative costs for direct billing.

The term insurance on an insured child will terminate on the earliest of the following:

- The date the contract terminates, subject to the conversion options of this rider
- The date the contract lapses, subject to the grace period
- The date the insured requests termination

Rider benefits will not be paid if the insured meets the requirements of the Eligibility for Benefits provision as a result of the following:

- An intentionally self-inflicted injury or attempted suicide
- The insured's alcohol, drug or other chemical dependence, except if the drug dependency is for a drug prescribed by a physician in the course of treatment for an injury or sickness

To ensure this trust continues and to address any concerns within the industry, we have outlined our policy on agent compensation disclosure.

TEB's policy supports transparency and full disclosure of agent compensation to our customers and prospective customers. In addition, we have put controls in place to facilitate this disclosure and obligate our agents to disclose compensation information to customers: 1) when asked by a customer; 2) when receiving both a fee from the customer and compensation from TEB; and 3) when otherwise required by law. Agents must comply with all applicable laws in the sale of TEB products, including any pertaining to the disclosure of compensation information.

Up-to-date information regarding our compensation practices can be found in the Disclosures section of our website at tebcs.com.
